

# Reconstructing the essential bacterial cell cycle machinery

16 – 19 September 2012 | Real Sitio de San Ildefonso, Spain

## EMBO Workshop

The programme for this event was reviewed and approved by the EMBO Course Committee.

### ORGANISER

#### Miguel Vicente

Centro Nacional de Biotecnología – CSIC, Spain

### CO-ORGANISERS

#### Juan Ayala

Centro de Biología Molecular Severo Ochoa-CSIC-UAM, Spain

#### Germán Rivas

Centro de Investigaciones Biológicas-CSIC, Spain

### REGISTRATION

#### Deadline before

**30 JUNE 2012**

Academic .....450 EUR

Industry .....600 EUR

#### Includes:

- Local transfer to the venue from Barajas Airport or downtown Madrid and back
- Meals, coffee breaks
- Abstract book

#### François-Xavier Barré

Centre de Génétique Moléculaire (CNRS), FR

#### Rolf Bernander

Uppsala University, SE

#### Thomas Bernhard

Harvard Medical School, US

#### Piet de Boer

Case Western Reserve University, US

#### Miguel Ángel de Pedro

Centro de Biología Molecular “Severo Ochoa” (CSIC-UAM), ES

#### Harold Erickson

Duke University Medical Center, US

#### Jeff Errington

Newcastle University, UK

#### Kenn Gerdes

Newcastle University, UK

#### Carol Gross

University of California at San Francisco, US

#### Christine Jacobs-Wagner

Yale University, US

#### Susan Lovett

Brandeis University, US

#### Jan Löwe

MRC – Laboratory of Molecular Biology, UK

#### William Margolin

University of Texas, US

#### Petra Schwille

TU Dresden, DE

#### David Sherratt

University of Oxford, UK

#### Waldemar Vollmer

Newcastle University, UK

#### Jie Xiao

Johns Hopkins University, US

### SPONSOR

### CONTACTS

#### Maira Torrent
